Note:

1. In case of new deposit placement by existing customers of HDFC Bank or erstwhile HDFC Ltd., kindly use the Account Opening Form (refer point 1 above).
2. New Customers are required to submit the details in Account Opening Form (point 1) along with KYC documents (OVD) for all signatories.
3. For carrying out Renewals going forward, customers need to submit Maturity Instruction Change Form (refer point 3 above) to renew/repay deposits. Using this form, customers can also change period/interest payout frequency/deposit type (withdrawable/non-withdrawable) etc.
4. Kindly note that even after opting for repayment, depositor has the option to revise the maturity instructions to auto-renew upto 1 working day prior to the maturity date and vice versa.
5. Loan against deposit facility will be extended in the form of Overdraft facility (OD). Customers can avail over-draft in their HDFC Bank Current/Savings Account.
6. Kindly use Re-KYC Form for those customers who are due for periodic KYC updation (refer point 5 above).
