The Board of Directors of Housing Development Finance Corporation Limited (HDFC) announced its unaudited financial results for the quarter and six months ended September 30, 2020 at its meeting held on Monday, November 2, 2020 in Mumbai. The accounts have been subjected to a limited review by the Corporation's statutory auditors in line with the regulatory guidelines.

In India, the six-months of the financial year ended September 30, 2020 entailed a combination of a strict national lockdown to prevent the spread of COVID-19 followed by a gradual unlocking of the economy.

While there has been significant improvement in business on a month-on-month basis, given the circumstances of the pandemic, the current and previous year's numbers are not directly comparable. The Corporation has endeavoured to provide a like-for-like

## LENDING OPERATIONS

With the unlocking of the Indian economy, traction in individual loans gained momentum with successive month-on-month improvements. The prevailing low interest rates, softer property prices, reduction in stamp duty in certain states and inherent strong demand for home loans bodes well for the housing finance sector.

During the quarter ended September 30, 2020, individual loan application receipts grew 12% and approvals grew by 9% compared to the corresponding quarter of the previous year. Individual disbursements during the quarter ended September 30, 2020 were at 95% levels of the previous year.

The months of September and October 2020 have seen the strongest recovery since the outbreak of the pandemic.

Individual Loans	% Growth (Sep 20 over Sep 19)	% Growth (Oct 20 over Oct 19*)
Approvals (value)	31%	58%
Disbursements (value)	11%	35%

*\*Note: Last year Diwali was in the month of October. Based on the average level for the third quarter in the previous year, growth in October 2020 over the previous year was: Approvals: 32% and Disbursements: 22%.*

These trends are indicative that business is reverting to pre-COVID levels.

## DISTRIBUTION NETWORK

HDFC's distribution network spans 588 outlets which include 204 offices of HDFC's distribution company, HDFC Sales Private Limited (HSPL). HDFC covers additional locations through its outreach programmes. Distribution channels form an integral part of the distribution network with home loans being distributed through HSPL, HDFC Bank Limited and third party direct selling associates. The Corporation also has online digital platforms for loans and deposits.

To cater to non-resident Indians, HDFC has offices in London, Dubai and Singapore and service associates in the Middle East.

## IMPACT OF COVID-19

In continuation with the former updates detailing the impact of COVID-19 on the business, all offices of the Corporation are now open for business and are following the necessary hygiene protocols, safety precautions and social distancing requirements. Staff will continue to work in office on a rotational basis and in accordance with extant regulations.

Individual loans are reverting to pre-COVID levels. As per RBI regulations, the moratorium period is over and restructuring if required, will be invoked before December 31, 2020.

The Corporation made a provision of ₹ 1,200 crore towards COVID-19 related provisioning.

Further, in accordance with RBI norms, loans for which asset classification benefits have been extended aggregated ₹ 7,977 crore. The Corporation carries adequate provisioning on such accounts.

The Corporation has gradually unwound its high liquidity levels as seen in the previous quarter. The average daily balance in liquid funds during the quarter ended September 30, 2020 was ₹ 22,500 crore compared to ₹ 32,000 crore in the previous quarter.

With various liquidity measures taken by the RBI coupled with a less risk averse environment, the Corporation is maintaining comfortable liquidity levels, whilst also endeavouring to minimise negative carry.

The Corporation has continued to raise resources from a diversified base. Deposit growth has remained strong, registering a growth of 21% as at September 30, 2020.
