We have been informed by the management of HDFC that the HDFC Financials and Forecasts provided to us have been prepared in accordance with Indian Accounting Standards (Ind-AS) and that the HDFC Bank Financials and Forecasts have been prepared in accordance with Indian Generally Accepted Accounting Principles

In addition, we are not experts in the evaluation of loan portfolios or allowances for loan losses and, upon advice of HDFC, we have assumed that HDFC, HDFC Bank and their respective joint ventures, associates and/or subsidiaries' current allowances for loan losses will be in the aggregate adequate to cover all such losses.

We have not undertaken any independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims, or other contingent liabilities, or any settlements thereof, to which HDFC, HDFC Bank, their respective joint ventures, affiliates and/or subsidiaries and/or any other entity are or may be a party or are or may be subject, and this opinion does not consider the potential effects of any such litigation, actions, claims, other contingent liabilities or settlements.

Our opinion is necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to us as of, the date hereof. As you are aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on the HDFC Equity Shares, or the HDFC Bank Equity Shares or on the Transaction or the Share Exchange Ratio. It should be understood that subsequent developments may affect this opinion, and we do not have any obligation to update, revise, or reaffirm this opinion.

We express no view or opinion as to any terms or other aspects or implications of the Transaction (other than the Share Exchange Ratio to the extent expressly specified herein), including, without limitation, the form or structure of the Transaction, the taxation impact of the Transaction or the HDFC Bank Equity Shares issued under the Transaction or any terms or other aspects or implications of any other agreement, arrangement or understanding entered into in connection with or related to the Transaction or otherwise. We were not requested to, and we did not, participate in the negotiation of the terms of the Transaction. As you are aware, we were not requested to, and we did not, solicit indications of interest or proposals from third parties regarding a possible acquisition of all or any part of HDFC. We express no view or opinion as to any such matters. Our opinion does not address any matters otherwise than as expressly stated herein, including but not limited solely to matters such as corporate governance, shareholder rights or any other equitable consideration, and is limited to the fairness, from a financial point of view, to the holders of the HDFC Equity Shares of the Share Exchange Ratio provided for in the Scheme and no opinion or view is expressed with respect to any consideration received in connection with the Transaction by the holders of any other class of securities, creditors or other constituencies of any party. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might

be available to HDFC or in which HDFC might engage or as to the underlying business decision of HDFC to proceed with or effect the Transaction. Further, HDFC will remain solely responsible for the commercial assumptions on which this opinion is based and for its decision to proceed with the Transaction.

Further, our opinion does not take into account any corporate actions of HDFC or HDFC Bank after the date hereof, including payment of dividends. We are not expressing any opinion as to what the value of the HDFC Bank Equity Shares actually will be when issued or the prices at which the HDFC Bank Equity Shares will trade at any time, including following announcement or consummation of the Transaction. In addition, we express no opinion or recommendation as to how any shareholder, creditor or other person should vote or act in connection with the Transaction or any related matter. In addition, we are not expressing any view or opinion with respect to, and have relied, with the consent of HDFC, upon the assessments of representatives of HDFC regarding, legal, regulatory, accounting, tax and other matters relating to HDFC, HDFC Bank, any of their respective joint ventures, affiliates and/or subsidiaries or any other entity and the Transaction (including the contemplated benefits of the Transaction) as to which we understand that HDFC obtained such advice as it deemed necessary from qualified professionals.

We have also assumed that all aspects of the Transaction and any other transaction contemplated in the Scheme would be in compliance with applicable laws and regulations, and we have issued this opinion on the understanding that we would not in any manner verify, or be responsible for ensuring, such compliance. Without prejudice to the generality of the foregoing, we express no opinion and have assumed that the Transaction will not trigger obligations to make open offers under the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, and accordingly we have not considered the consequences or impact on HDFC, if any such open offers are mandated, and we have also assumed that the Transaction will not result in any adverse effect on HDFC or its business, whether under tax or other laws or under the terms of any license or approval.

We have acted as financial advisor to the Board of Directors of HDFC to render this opinion and will receive a fee for our services, which will be paid upon the rendering of this opinion. In addition, HDFC has agreed to reimburse our expenses (subject to certain restrictions) and indemnify us against certain liabilities arising out of our engagement.
