The Transferor Company No. 1, the Transferor Company No. 2, the Transferee Company/Amalgamating Company and the Amalgamated Company are together referred to as the "**Companies**" or "**Parties**", as the context may admit. A copy of the Scheme, which has been, *inter alios*, approved by the Audit and Governance Committee, Committee of Independent Directors and the Board of Directors of the Transferee Company/Amalgamating Company at their respective meetings, all held on April 4, 2022 is enclosed as **Annexure 1**. Capitalised terms used herein but not defined shall have the meaning assigned to them in the Scheme, unless otherwise stated.
2. The Scheme, *inter alia*, provides for the:
  - (a) amalgamation of the Transferor Company No. 1 and the Transferor Company No. 2 (collectively hereinafter referred to as the "**Transferor Companies**"), into the Transferee Company, with effect from the Appointed Date 1 (*as defined in the Scheme*) and the consequent dissolution of the Transferor Companies without being wound up; and
  - (b) amalgamation of the Amalgamating Company with and into the Amalgamated Company, with effect from the Appointed Date 2 (*as defined in the Scheme*) and the consequent dissolution of the Amalgamating Company without being wound up and the issuance of the New Equity Shares (*as defined in the Scheme*) to the Equity Shareholders of the Amalgamating Company in accordance with the Share Exchange Ratio (*as defined in the Scheme*);pursuant to Sections 230-232, and other relevant provisions of the Act, in the manner provided for in the Scheme and in compliance with the provisions of the Income Tax Act (*as defined in the Scheme*).
3. In terms of the Order, the quorum for the said meeting shall be 30 (thirty) equity shareholders of the Transferee Company/Amalgamating Company. Equity Shareholders attending the meeting through VC, either by themselves or through their authorised representative, shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
4. Further in terms of the Order, NCLT has appointed Mr. Gautam Doshi, Chartered Accountant, to be the Chairperson of the meeting including for any adjournment or adjournments thereof.
5. This statement is being furnished as required under Sections 230(3), 232(1) and (2) and 102 of the Act read with Rule 6 of the Rules.
6. As stated earlier, NCLT by its Order has, *inter alia*, directed that a meeting of the equity shareholders of the Transferee Company/Amalgamating Company shall be convened through VC, on Friday, November 25, 2022 at 11:00 a.m. (1100 hours) IST for the purpose of considering, and if thought fit, approving the arrangement embodied in the Scheme (hereinafter referred to as the "**Meeting**"). Equity shareholders, which includes Public Shareholders, would be entitled to vote either through remote e-voting or e-voting during the Meeting.

The Transferee Company/Amalgamating Company is seeking the approval of its equity shareholders to the Scheme by way of voting through remote e-voting and e-voting during the Meeting. Master Circular, under reference no. SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665, dated November 23, 2021, as amended from time to time (hereinafter referred to as the "**SEBI Circular**") issued by the Securities and Exchange Board of India (hereinafter referred to as the "**SEBI**"), *inter alia*, provides that approval of Public Shareholders of the Transferee Company/Amalgamating Company to the Scheme shall be obtained by way of voting through remote e-voting and e-voting during the Meeting. Since, the Transferee Company/Amalgamating Company is seeking the approval of its equity shareholders (which includes Public Shareholders) to the

Scheme by way of voting through remote e-voting and e-voting during the Meeting, no separate procedure for voting through remote e-voting and e-voting during the Meeting would be required to be carried out by the Transferee Company/Amalgamating Company for seeking the approval to the Scheme by its Public Shareholders in terms of SEBI Circular. Even otherwise, there are no promoters of the Transferee Company/Amalgamating Company. The aforesaid notice sent to the equity shareholders (which includes Public Shareholders) of the Transferee Company/Amalgamating Company would be deemed to be the notice sent to the Public Shareholders of the Transferee Company/Amalgamating Company. For this purpose, the term “Public” shall have the meaning assigned to it in Rule 2 of the Securities Contracts (Regulations) Rules, 1957 and the term “Public Shareholders” shall be construed accordingly.

NCLT, by its Order, has, *inter alia*, held that since the Transferee Company/Amalgamating Company is directed to convene a meeting of its equity shareholders, which includes Public Shareholders, and the voting in respect of the equity shareholders, which includes Public Shareholders, is through remote e-voting and e-voting during the Meeting, the same is in sufficient compliance of SEBI Circular.

The scrutinizer appointed for conducting the remote e-voting and e-voting during the Meeting will however submit his separate report to the Chairperson of the Meeting of the Transferee Company/Amalgamating Company or to the person so authorised by him after completion of the scrutiny of the remote e-voting and e-voting during the Meeting cast by the Public Shareholders so as to announce the results of the remote e-voting and e-voting during the Meeting exercised by the Public Shareholders of the Transferee Company/Amalgamating Company. In terms of the SEBI Circular, the Scheme shall be acted upon only if the votes cast by the Public Shareholders through remote e-voting and e-voting during the Meeting in favour of the resolution for approval of Scheme are more than the number of votes cast by the Public Shareholders against it.

7. The Scheme shall be considered approved by the equity shareholders of the Transferee Company/Amalgamating Company if the resolution mentioned in the Notice has been approved by majority of persons representing three-fourth in value of the equity shareholders voting through e-voting during the Meeting or by remote e-voting, in terms of the provisions of Sections 230 – 232 of the Act.
8. In terms of the Order, if the entries in the records/registers of the Transferee Company/Amalgamating Company in relation to the number or value, as the case may be, of the equity shares are disputed, the Chairperson of the Meeting shall determine the number or value, as the case may be, for the purposes of the said Meeting and his decision in that behalf shall be final.

(a) Shareholders (promoter)

*Part C of the Scheme provides for and contemplates amalgamation of the Transferor Company No.1 and the Transferor Company No.2 with the Transferee Company. Given however the fact that the entire paid-up share capital of the Transferor Company No.1 is held by the Transferee Company and its nominees, upon the Scheme becoming effective, the equity shareholder(s) of the Transferor Company No. 1 would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Transferor Company No.1 shall stand cancelled and extinguished. Further, under Part C of the Scheme, the authorised share capital of the Transferor Company No. 1 shall be reclassified/reorganised in the manner as stipulated in clause 19 of Part C of the Scheme and pursuant to such reclassification/reorganisation, the resultant authorised share capital of the Transferor Company No. 1 shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 20 of Part C of the Scheme. Thus, under Part C of the Scheme, an arrangement is sought to be entered into between the Transferor Company No. 1 and its equity shareholder(s).*

(b) Creditors

*Part C of the Scheme does not contemplate any arrangement with the creditors, if any, of the Transferor Company No. 1. No compromise is offered under Part C of the Scheme to any of the creditors, if any, of the Transferor Company No. 1. The liability towards the creditors, if any, of the Transferor Company No. 1 is neither being reduced nor being extinguished. Interests of the creditors of the Transferor Company No. 1, if any, would in no way be affected by Part C of the Scheme.*

*Further, as on date, the Transferor Company No.1 has no secured creditors and therefore, the question of any effect of the Scheme on any secured creditors does not arise.*

*As on date, the Transferor Company No. 1 has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.*

*As on date, the Transferor Company No. 1 has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.*

(c) Employees, Directors and Key Managerial Personnel

*As stated in clause 14.1 of Part C of the Scheme and with effect from the Effective Date, all the staff and employees, if any, of the Transferor Company No. 1, who are in such employment as on the Effective Date, shall become and be deemed to have become, the staff and employees of the Transferee Company, without any break in or interruption of service and on the terms and conditions not less favourable than those on which they are engaged by the Transferor Company No. 1. In these circumstances, the rights of the staff and employees, if any, of the Transferor Company No. 1 would in no way be affected by the Scheme.*

*Upon Part C of the Scheme becoming effective, the Transferor Company No. 1 shall stand dissolved without being wound up. In these circumstances, the directors and key managerial personnel of the Transferor Company No. 1 shall cease to be the directors and key managerial personnel of the Transferor Company No. 1.*

*None of the directors or key managerial personnel (as defined under the Companies Act, 2013 and the rules framed thereunder) of the Transferor Company No. 1 and their respective relatives (as defined under the Companies Act, 2013 and the rules framed thereunder) have any material interest in Part C of the Scheme, except to the extent that:-*

- i. *one of the directors of the Transferor Company No. 1, namely, Mr. Joseph Conrad Agnelo D'Souza is the nominee shareholder of the Transferor Company No. 1 as well as of the Transferor Company No. 2; and/or*
- ii. *three of the directors of the Transferor Company No. 1 are common directors, namely, Mr. Joseph Conrad Agnelo D'Souza who is a common director in the Transferor Company No. 2; Mr. M. Ramabhadran who is a common director in the Transferor Company No. 2, and Mr. V. Srinivasa Rangan who is a common director in the Transferee Company; and/or*
- iii. *one of the directors of the Transferor Company No. 1, namely, Mr. V. Srinivasa Rangan is also director and key managerial personnel of the Transferee Company; and/or*
- iv. *the said directors, key managerial personnel and their respective relatives are the partners, directors, members of the companies, firms, bodies corporate and/or beneficiaries of trust that hold shares in the Transferee*

*Company and/or the Amalgamated Company, if applicable. None of the directors and key managerial personnel of the Transferor Company No. 1 or their relatives are holding more than two per cent. of the paid-up share capital of the Transferee Company or the Amalgamated Company;*

79. The effect of the proposed Scheme on the stakeholders of the Transferor Company No. 2 would be as follows:

(a) Shareholders (promoter)

*Part C of the Scheme provides for and contemplates amalgamation of the Transferor Company No.1 and the Transferor Company No.2 with the Transferee Company. Given however the fact that the entire paid-up share capital of the Transferor Company No.2 is held by the Transferee Company and its nominees, upon the Scheme becoming effective, the equity shareholder(s) of the Transferor Company No. 2 would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Transferor Company No. 2 shall stand cancelled and extinguished. Further, under Part C of the Scheme, the authorised share capital of the Transferor Company No. 2 shall be reclassified/reorganised in the manner as stipulated in clause 19 of Part C of the Scheme and pursuant to such reclassification/reorganisation, the resultant authorised share capital of the Transferor Company No. 2 shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 20 of Part C of the Scheme. Thus, under Part C of the Scheme, an arrangement is sought to be entered into between the Transferor Company No. 2 and its equity shareholder(s).*

(b) Creditors

*Part C of the Scheme does not contemplate any arrangement with the creditors, if any, of the Transferor Company No. 2. No compromise is offered under Part C of the Scheme to any of the creditors, if any, of the Transferor Company No. 2. The liability towards the creditors, if any, of the Transferor Company No. 2 is neither being reduced nor being extinguished. Interests of the creditors of the Transferor Company No. 2, if any, would in no way be affected by Part C of the Scheme.*

*Further, as on date, the Transferor Company No.2 has no secured creditors and therefore, the question of any effect of the Scheme on any secured creditors does not arise.*

*As on date, the Transferor Company No. 2 has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.*

*As on date, the Transferor Company No. 2 has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.*

(c) Employees and Directors

*As stated in clause 14.1 of Part C of the Scheme and with effect from the Effective Date, all the staff and employees, if any, of the Transferor Company No. 2, who are in such employment as on the Effective Date, shall become and be deemed to have become, the staff and employees of the Transferee Company, without any break in or interruption of service and on the terms and conditions not less favourable than those on which they are engaged by the Transferor Company No. 2. In the circumstances, the rights of the staff and employees, if any, of the Transferor Company No. 2 would in no way be affected by the Scheme.*

*Upon Part C of the Scheme becoming effective, the Transferor Company No. 2 shall stand dissolved without being wound up. In these circumstances, the directors of the Transferor Company No. 2 shall cease to be the directors of the Transferor Company No. 2.*

*None of the directors of the Transferor Company No. 2 and their respective relatives (as defined under the Companies Act, 2013 and the rules framed thereunder) have any material interest in Part C of the Scheme, except to the extent that:-*

- i. *two of the directors of the Transferor Company No. 2, namely, Mr. Joseph Conrad Agnelo D'Souza and Mr. Sudhir Kumar Jha are the nominee shareholders of the Transferor Company No. 1 as well as that of the Transferor Company No. 2; and/or*
- ii. *two of the directors of the Transferor Company No. 2, namely, Mr. Joseph Conrad Agnelo D'Souza and Mr. M. Ramabhadran are the common directors in the Transferor Company No. 1; and/or*
- iii. *the said directors and their respective relatives are the partners, directors, members of the companies, firms, bodies corporate and/or beneficiaries of trust that hold shares in the Transferee Company and/or*

*the Amalgamated Company, if applicable. None of the directors of the Transferor Company No. 2 or their relatives are holding more than two per cent. of the paid-up share capital of the Transferee Company or the Amalgamated Company.*

80. The effect of the proposed Scheme on the stakeholders of Transferee Company/Amalgamating Company would be as follows:

(a) Shareholders (non-promoter)

*Part C of the Scheme does not contemplate issuance of any equity shares by the Transferee Company to any person. Therefore, the shareholders of the Transferee Company will not be affected by Part C of the Scheme. However, upon Part C of the Scheme becoming effective and with effect from the Appointed Date 1, and pursuant to the reclassification and reorganization of the authorised share capital of the Transferor Company No. 1 and the Transferor Company No. 2, respectively, as set out in clause 19 of the Scheme, the respective resultant authorised share capital of the Transferor Company No. 1 and the Transferor Company No. 2, shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 20 of Part C of the Scheme. Thus, to that extent, under Part C of the Scheme, an arrangement is sought to be entered into between the Transferee Company and its shareholders.*

*Upon Part D of the Scheme becoming effective, the equity shareholders of the Amalgamating Company, shall become the equity shareholders of the Amalgamated Company in the manner as stipulated in clause 27.1 of Part D of the Scheme. Further, under Part D of the Scheme, the authorised share capital of the Amalgamating Company shall be reclassified/reorganised in the manner as stipulated in clause 35 of Part D of the Scheme and pursuant to such reclassification/reorganisation the resultant authorised share capital of the Amalgamating Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Amalgamated Company in the manner as stipulated in clause 36 of Part D of the Scheme. Thus, under Part D of the Scheme, an arrangement is sought to be entered into between the Amalgamating Company and its equity shareholders.*

*Upon Part D of the Scheme becoming effective, the Amalgamating Company shall cease to be the promoter of the Amalgamated Company. Further, upon Part D of the Scheme becoming effective, the equity shares held by the Amalgamating Company (including shares of the Amalgamated Company being vested in the Amalgamating Company pursuant to Part C of the Scheme becoming effective) in the paid-up share capital of the Amalgamated Company shall stand cancelled as stipulated in clause 28 of Part D of the Scheme.*

(b) Creditors

*Part C of the Scheme does not provide for or contemplate any arrangement between the Transferee Company and its creditors. Part C of the Scheme also does not provide for any compromise to any of the creditors of the Transferee Company. The liability towards the creditors of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. The creditors of the Transferee Company would in no way be affected by Part C of the Scheme.*

*Part D of the Scheme also does not provide for or contemplate any arrangement or compromise with the creditors of the Amalgamating Company in respect of their claims. The liability towards the creditors of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, as stipulated in clause 22.4 of Part D of the Scheme, any Encumbrance (as defined in the Scheme) existing prior to the Effective Date, which may have been created on the assets of the Amalgamating Company (being a housing finance company) in relation to the deposits and/or any other liabilities of the Amalgamating Company: (a) pursuant to the regulatory/statutory requirements that are applicable to housing finance companies under the Applicable Law; or (b) by way of contract, shall, after the Effective Date, without any further act, instrument or deed be automatically released and/or terminated as relevant, and such deposits and other liabilities shall become unsecured, if such Encumbrance is either not required or not permitted under the regulatory/statutory requirements applicable to the Amalgamated Company (being a banking company) under the Applicable Law. The interest of the creditors of the Amalgamating Company will remain unaffected by Part D of the Scheme as the assets of the Amalgamated Company upon the effectiveness of Part D of the Scheme will be more than its liabilities and as such sufficient to discharge such liabilities.*

*Part C of the Scheme does not contemplate any arrangement with the debenture holders of the Transferee Company. No rights of the debenture holders of the Transferee Company are being affected pursuant to Part C of the Scheme. The liability towards the debenture holders of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. Under Part C of the Scheme, the debenture holders shall continue*

to be the debenture holders of the Transferee Company. The debenture trustee for the different series of the debentures shall continue to remain the debenture trustee. Thus, the debenture holders of the Transferee Company would in no way be affected by Part C of the Scheme.

Part D of the Scheme does not contemplate any arrangement with the debenture holders of the Amalgamating Company in respect of their claims. No rights of the debenture holders of the Amalgamating Company are being affected pursuant to Part D of the Scheme. The liability towards the debenture holders of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, any Encumbrance existing prior to the Effective Date in favour of the debenture holders shall be dealt with in accordance with clause 22.4 of Part D of the Scheme. The debenture trustee for the different series of the debentures shall continue to remain the debenture trustee. Thus, the debenture holders of the Amalgamating Company would not be affected by Part D of the Scheme in respect of their claims.

Further, the debenture trustee for the different series of the debentures has no material interest in Part C or Part D of the Scheme except to the extent of the equity shares held by it in the Transferee Company/Amalgamating Company and/or the Amalgamated Company, if any.

Part C of the Scheme does not contemplate any arrangement or compromise between the Transferee Company and its deposit holders. No rights of the deposit holders of the Transferee Company are being affected pursuant to Part C of the Scheme. The liability towards the deposit holders of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. The trustee in respect of the said deposits shall continue to remain the trustee in respect thereof. Thus, the deposit holders of the Transferee Company would in no way be affected by the Scheme.

Part D of the Scheme does not contemplate any arrangement or compromise with the deposit holders of the Amalgamating Company in respect of their claims. The liability towards the deposit holders of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, any Encumbrance existing prior to the Effective Date in favour of the deposit holders shall be dealt with in accordance with clause 22.4 of Part D of the Scheme. Further, the deposit holders of the Amalgamating Company shall become the fixed deposit holders of the Amalgamated Company as stipulated in clause 22.8 of Part D of the Scheme. The trustee, in respect of the said deposits, upon the Scheme becoming effective, would no longer continue to remain the trustee as the deposit holders of the Amalgamating Company shall become the fixed deposit holders of the Amalgamated Company (being a banking company) as stipulated in clause 22.8 of Part D of the Scheme. Thus, the deposit holders of the Amalgamating Company would not be affected by the Scheme in respect of their claims.

## APPROACH FOR RECOMMENDATION OF FAIR EQUITY SHARE EXCHANGE RATIO

The Proposed Amalgamation contemplates the amalgamation of HDFC with HDFC Bank. Arriving at the fair equity share exchange ratio for the Proposed Amalgamation of HDFC with HDFC Bank would require determining the relative value of equity shares of HDFC Bank and that of HDFC. These values are to be determined independently, but on a relative basis for the Valuation Subjects, without considering the effect of the Proposed Amalgamation.

Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for Amalgamation and our reasonable judgment, in an independent and bona fide manner.

The Valuation Approach adopted by HCR and DD is given in Annexure 1A and 1B respectively (Annexure 1A and 1B together referred to as Annexures).

## BASIS OF FAIR EQUITY SHARE EXCHANGE RATIO

The basis of the amalgamation of HDFC with HDFC Bank would have to be determined after taking into consideration all the factors and methods mentioned hereinabove. Though different values have been arrived at under each of the approaches / methods as mentioned in the Annexures, for the purposes of recommending the fair equity share exchange ratio of equity shares, it is necessary to arrive at a final value for each Valuation Subject. It is however important to note that in doing so, we are not attempting to arrive at the absolute equity values of the Valuation Subjects, but at their relative values to facilitate the determination of the fair equity share exchange ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approaches / methods applied for the present valuation exercise.

The fair equity share exchange ratio has been arrived at on the basis of a relative equity valuation of Valuation Subjects based on the various approaches / methods explained in the Annexures and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of the Valuation Subjects, having regard to information base, key underlying assumptions and limitations.

While we have provided our recommendation of the Fair Equity Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as to the Fair Equity Share Exchange Ratio. The final responsibility for the determination of the exchange ratio at which the Proposed Amalgamation shall take place will be with the Board of Directors of the respective Companies, who should take into account other factors such as their own assessment of the Proposed Amalgamation and input of other advisors.

We have independently applied approaches / methods discussed in the Annexures, as considered appropriate, and arrived at the relative value per share of the Companies for determination of Fair Share Exchange Ratio for the Proposed Amalgamation. To arrive at the consensus on the fair equity share exchange ratio for the Proposed Amalgamation, suitable minor adjustments / rounding off have been done.

**Harsh Chandrakant Ruparelia**

**Drushti Desai**

Recommendation of fair equity share exchange ratio for the proposed amalgamation of HDFC with HDFC Bank

In the light of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following fair equity share exchange ratio for the Proposed Amalgamation of HDFC with HDFC Bank:

**42 (Forty-Two) equity shares of HDFC Bank of INR 1/- each, fully paid-up for every 25 (Twenty-Five) equity shares of HDFC of INR 2/- each, fully paid-up.**

It should be noted that we have not examined any other matter including economic rationale for the Proposed Amalgamation per se or accounting, legal or tax matters involved in the Proposed Amalgamation.

#### Annexure 1A - Approach to Valuation – HCR.

“Value is a word of many meanings”. The term “value” can have different connotations depending upon the purpose for which it is intended to be used. The valuation of equity shares of any Company would need to be based on a fair value concept. The purpose of fair value is to enable valuer to exercise his discretion and judgement in light of all circumstances, in order to arrive at a value, which is fair to all parties. It is universally recognized that valuation is not an exact science and that estimating values necessarily involves selecting a method or approach that is suitable for the purpose. The application of any particular method of valuation depends upon various factors including nature of its business, overall objective of the transaction and the purpose of valuation.

It may be noted that the Institute of Chartered Accountants of India (ICAI) on June 10, 2018 has issued the ICAI Valuation Standards (“IVS”) effective for all the valuation reports issued on or after July 1, 2018. IVS are mandatory for a valuation done under the Companies Act, 2013, and recommendatory for valuation carried out under other statutes/ requirements. I have given due consideration to IVS in carrying out the valuation exercise.

IVS 301 on Business Valuations deals with valuation of a business or business ownership interest (i.e., it includes valuation of equity shares).

For the purpose of valuation of business/business ownership interest, generally the following approaches are adopted:

- (a) the ‘Underlying Asset’ approach;
- (b) the ‘Income’ approach; and
- (c) the ‘Market’ approach.

The present valuation exercise of the Company is undertaken on a going concern basis, i.e., proceeding on the basis that there is no intention of disposing off its material operating assets. I have briefly summarized each of approaches in the following paragraphs:

#### ‘Underlying Asset’ Approach

In case of the ‘Underlying Asset’ approach, the value per equity share is determined by arriving at the Net Assets (Assets Less Liabilities) of the Company. The said approach is considered taking into account fair value of assets and liabilities, to the extent possible, the respective asset would fetch or liability is payable as on the Valuation Date. The following adjustments be made to arrive at the Fair Value per Share as per the ‘Underlying Asset’ Approach at Fair Values:

- The Fair Value of Quoted Shares held by the Company, if any, be considered at Market Value of such shares;
- The Fair Value of Unquoted Shares held by the Company, if any, in other entities be arrived at as per suitable approach to that entity to arrive at Fair Value of Investments held by the Company;
- The Fair Value of Immovable properties, if any, held by the Company be considered at Market Value / Ready Reckoner Value as on the Valuation Date, made available to us by the management of the Company;
- Adjustments may be made to book value of any other assets for their recoverability on conservative basis after taking into account the management representations and their estimate of the recoverability of the same;
- Liabilities of the company be considered at their respective Book Values or their payable amounts as on the Valuation Date; and
- Potential Contingent Liability, if any, be considered based on the discussions with the management and their reasonable estimate of the outflow on account of the same.

Page 10 of 16

Harsh Chandrakant Ruparelia

Drushti Desai

Recommendation of fair equity share exchange ratio for the proposed amalgamation of HDFC with HDFC Bank

Alternatively, the value may be determined considering the book value of the net assets (Assets Less Liabilities) of the Company and/or replacement cost basis, to the extent possible.

I have not considered it appropriate to value HDFC Bank and HDFC as per 'Underlying Asset' approach since the present valuation is proposed to be carried out on a going concern basis for the purpose of Amalgamation and actual realization of operating and/or non-operating assets is not contemplated pursuant to the Scheme. Further, assets of the Company may not truly reflect the earning potential, nor asset base dominate earning capacity of the Company. For the present valuation exercise, other methodologies may hold more relevance for the stated purpose of valuation.

Further, it may be noted that some of the subsidiaries of HDFC, which have nominal profit or their values are based on their assets, the same have been considered at their respective book values or carrying amounts in the books of HDFC based on the concept of materiality in the context of the present valuation exercise.

Income Approach:

Under the 'Income' approach, the equity shares of the company can be valued using Discounted Cash Flow (DCF) Method – FCFF approach or FCFE approach or such other approaches based on future maintainable profits (free cash flows of business) or single income stream (e.g., rent, interest, dividend, etc.).

*DCF Method – FCFF Approach (for instance)*

Under the DCF method, the projected free cash flows from business operations after considering fund requirements for projected capital expenditure, incremental working capital and other adjustments are discounted at the Weight Average Cost of Capital (WACC). The sum of the discounted value of such free cash flows and discounted value of perpetuity is the value of the business.

Using the DCF method involves determining the following:

*Estimating the future free cash flows:*

Future Free cash flows are the cash flows expected to be generated by the entity that are available to the providers of entity's capital viz. Equity and Debt. The free cash flows under the FCFF method are determined by adjusting the Profit after tax for Depreciation and other Non-Cash Items, Interest, Incremental working capital requirements and capital expenditure.

*Time Frame of such cash flows:*

The time frame for free cash flows is determined by separating the value of the business in the explicit projection period and the post explicit projection period.

*Appropriate Discount rate (WACC):*

Under DCF-FCFF Method, the time value of money is recognized by applying a discount rate viz. WACC to the future free cash flows to arrive at their present value as on the date of valuation. WACC is considered as the most appropriate discount rate in the DCF Method, since it reflects both the business and the financial risk of the company. In other words, WACC is generally the weighted average of the company's cost of equity capital and debt. Normally, in stable growth companies, the cost of equity is determined by using Capital Asset Pricing Model ('CAPM').

*Value for Equity Shareholders:*

The Value of Business so arrived considering the Net Present Value of the explicit period and terminal or perpetuity value is adjusted for net of cash & cash equivalents, loan funds and surplus assets viz. Deposits, Investments, etc. as on the valuation date to arrive at the value for equity shareholders as on the Valuation Date.

**Harsh Chandrakant Ruparelia**

**Drushti Desai**

**Recommendation of fair equity share exchange ratio for the proposed amalgamation of HDFC with HDFC Bank**

In absence of availability of future projections and business plans of HDFC Bank and HDFC from the Management of the Companies, I have not considered it appropriate to value the Companies using 'Income' Approach for the present valuation exercise.

**Market Approach:**

**Market Price Method:**

The market price of an equity share is the barometer of the true value of the Company in case of listed companies. The market value of shares of the company quoted on a recognized stock exchange, where quotations are arising from regular trading reflects the investor's perception about the true worth of the listed companies. The valuation is based on the principles that market valuations arising out of regular trading captures all the factors relevant to the Company with an underlying assumption that markets are perfect, where transactions are being undertaken between informed buyers and informed sellers on the floor of the recognized stock exchange.

However, as the stock markets and stock prices are subject to volatility, and as the equity shares of HDFC Bank and HDFC has been frequently traded as per the definition provided applicable provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and considering the Proposed Amalgamation, in my opinion, it is thought appropriate to arrive at the Fair Market Price of HDFC and HDFC Bank based on weighted average price on NSE over a period of 60 trading days till the Valuation Date.

**Comparable Companies Multiple Method ("CCM Method")**

Under the CCM method, the value of the equity share of a company is determined based on publicly available information of the market valuations of the comparable companies on the basis of multiples derived from such market information. This method is applied on the premise that markets are perfect and have captured all the information and factors, which are reflected through their market valuations.

I have considered it appropriate to compute equity value of HDFC Bank and HDFC and/or their subsidiaries / joint ventures / associates through mix of Comparable Multiples method based on asset base and/or earning capacity, as may be suitable to each entity, after providing for appropriate adjustments, as may be considered necessary and relevant for the present valuation exercise.

**Comparable Transaction Method ("CTM")**

Under the CTM, the value of the equity share of a company is determined considering the past transaction of similar companies or itself as well as the market value of comparable companies that have an equivalent business model to the company being valued.

I have considered it appropriate to compute equity value of HDFC Bank and HDFC and/or their subsidiaries / joint ventures / associates taking into account comparable multiples based on asset base and/or earning capacity of comparable transaction in peers or own transactions carried out at arms-length pricing, as may be suitable to each entity, after providing for appropriate adjustments, as may be considered necessary and relevant for the present valuation exercise.

\* As mentioned earlier, we have not used the Income Approach as the business plans of the Valuation Subject were not provided to us.

# As mentioned under the Asset Approach, in a going concern scenario earning power of a business, as reflected under the Earnings based and Market approaches, is of greater importance, with the values arrived at on the net assets basis being of limited relevance.

#### Annexure 1B- Approach to Valuation - DD

It is universally recognized that valuation is not an exact science and that estimating values necessarily involves selecting a method or approach that is suitable for the purpose.

For the purpose of arriving at valuation of the Valuation Subjects, I have considered the valuation base as 'Fair Value'. My valuation, and this report, is based on the premise of 'going concern value'. Any change in the valuation base, or the premise could have significant impact on my valuation exercise, and therefore, this Report.

It may be noted that the Institute of Chartered Accountants of India (ICAI) on June 10, 2018 has issued the ICAI Valuation Standards ("IVS") effective for all the valuation reports issued on or after July 1, 2018. IVS are mandatory for a valuation done under the Companies Act, 2013, and recommendatory for valuation carried out under other statutes/ requirements. I have given due cognizance to the same in carrying out the valuation exercise.

IVS 301 on Business Valuations deals with valuation of a business or business ownership interest (i.e. it includes valuation of equity shares).

IVS 301 specifies that generally, the following three approaches are used for valuation of business/business ownership interest:

1. Market approach
2. Income approach
3. Cost approach

Each of the above approaches are discussed in the following paragraphs.

#### Market Price Method:

This method involves determining the market price of an entity based on its traded price on the stock exchange over a reasonable period of time. Equity shares of HDFC Bank and HDFC are listed on NSE and BSE and are frequently traded. I have determined the market price of shares of HDFC and HDFC Bank based on weighted average price on NSE over an appropriate period prior to the Valuation Date.

#### Comparable Companies Multiple Method ("CCM")

This method involves valuing an asset based on market multiple of comparable companies as related to earnings, assets etc.

Harsh Chandrakant Ruparelia

Drushti Desai

Recommendation of fair equity share exchange ratio for the proposed amalgamation of HDFC with HDFC Bank

Under the Comparable Companies Multiple Method, I have computed the fair value based on the profits and asset base of the Companies. The underlying investments are considered at fair value after considering appropriate discount.

Income Approach

Income approach is a valuation approach that converts maintainable future amounts (e.g., cash flows or income and expenses) to a single current (i.e., discounted, or capitalised) amount. An approach based on earnings is relevant in case of companies generating a steady stream of income.

I have not used this approach for valuation of shares of HDFC Bank and HDFC as I have not been provided the business plans for the companies.

Cost Approach:

It is a valuation approach that reflects the amount that would be required currently to replace the service capacity of an asset (often referred to as current replacement cost). IVS 301 on Business Valuations and IVS 103 on Valuation Approaches and Methods specify that common methodologies for Cost Approach are Replacement Cost Method and Reproduction Cost Method. These methods involve determining the value of the asset based on the cost that will have to be incurred to recreate/replicate the asset with substantially the same utility as that of the asset under valuation.

In a going concern scenario earning power of a business, as reflected under the Earnings based and Market approaches, is of greater importance, with the values arrived at on the net assets basis being of limited relevance. It may be noted that some of the smaller subsidiaries of HDFC which have nominal profit or their values are based on their assets, the net asset base of the company is considered as its fair value.

Fair Valuation:

I have arrived at the fair value of equity shares of HDFC Bank and HDFC by applying equal weights to the value derived under CCM and Market Price Method. The value for CCM is derived under market approach based on average of Price to Earnings Multiple Method and Price to Book Multiple Method.

#### APPROACH – BASIS OF AMALGAMATION

The Scheme contemplates the Proposed Amalgamation under Sections 230 to 232 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013 and rules issued thereunder to the extent applicable.

Arriving at the Fair Equity Share Exchange Ratio for the purposes of an amalgamation such as the Proposed Amalgamation, would require determining the relative values of each company involved and of their shares. These values are to be determined independently but on a relative basis, and without considering the effect of the amalgamation.

The three main valuation approaches are the market approach, income approach and asset approach. There are several commonly used and accepted methods within the market approach, income approach and asset approach, for determining the fair value of equity shares of a company, which can be considered in the

present valuation exercise, to the extent relevant and applicable, to arrive at the Fair Equity Share Exchange Ratio for the purpose of the Proposed Amalgamation, such as:

1. Asset / Cost Approach - Net Asset Value (NAV) Method
2. Income Approach
  - Discounted Cash Flow (DCF) Method
  - Earnings Capitalisation Value (ECV) Method
3. Market Approach
  - Market Price Method
  - Comparable Companies Multiples (CCM) Method

It should be understood that the valuation of any company or its assets is inherently subjective and is subject to uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the companies/ businesses, and other factors which generally influence the valuation of companies and their assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of method of valuation has been arrived at using usual and conventional methods adopted for transactions of a similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

#### Asset Approach - Net Asset Value Method

Under the asset approach, the net asset value method is considered, which is based on the underlying net assets and liabilities of the company, taking into account operating assets and liabilities on a book value basis and appropriate adjustments for, inter alia, value of surplus/ non-operating assets.

**Income Approach:** Income approach is a valuation approach that converts maintainable or future amounts (e.g., cash flows or income and expenses) to a single current (i.e., discounted or capitalised) amount. The value measurement is determined on the basis of the value indicated by current market expectations about those future amounts.

- **Discounted Cash Flow (DCF) Method:** Under this method, either:
  - o the projected free cash flows from business operations available to all providers of capital are discounted at the weighted average cost of capital to such capital providers, on a market participant basis, and the sum of such discounted free cash flows is the value of the business from which value of debt and other

capital is deducted, and other relevant adjustments made to arrive at the value of the equity – Free Cash Flows to Firm (FCFF) technique; This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighted by their relative contribution to the total capital of the company. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk; or

- the projected free cash flows from business operations available to equity shareholders (after deducting cash flows attributable to the debt and other capital providers) are discounted at the cost of equity, on a market participant basis, and the sum of such discounted free cash flows, after making other relevant adjustments, is the value of the equity - Free Cash Flows to Equity (FCFE) technique. This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to the equity capital providers. The opportunity cost to the equity capital provider equals the rate of return such equity capital provider expects to earn on other investments of equivalent risk.

- Earnings Capitalisation Value (ECV) Method:** This method involves determination of the maintainable earnings level of the company from its operations, based on past and/ or projected working results. These earnings are then capitalized at a rate, which in the opinion of the valuer combines an adequate expectation of reward from the enterprise risk, to arrive at the value of the company.

**Market Approach:** Market approach is a valuation approach that uses prices and other relevant information generated by market transactions involving identical or comparable (i.e., similar) assets, liabilities or a group of assets and liabilities, such as a business.

- Market Price Method:** Under this method, the value of shares of a company is determined by taking the average of the market capitalisation of the equity shares of such company as quoted on a recognized stock exchange over reasonable periods of time where such quotations are arising from the shares being regularly and freely traded in an active market, subject to the element of speculative support that may be inbuilt in the market price. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper index of the fair value of the share, especially where the market values are fluctuating in a volatile capital market. Further, in the case of an amalgamation, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard. This method would also cover any other transactions in the shares of the company including primary/ preferential issues/ open offer in the shares of the company available in the public domain.
- Comparable Companies Multiples (CCM) Method:** Under this method, one attempts to measure the value of the shares/ business of company by applying the derived market multiple based on market quotations of comparable public/ listed companies, in an active market, possessing attributes similar to the business of such company - to the relevant financial parameter of the company/ business (based on past and/ or projected working results), after making adjustments to the derived multiples on account of dissimilarities

with the comparable companies and the strengths, weaknesses and other factors peculiar to the company being valued. These valuations are based on the principle that such market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

Out of the above methods, valuers have used approaches/ methods as considered appropriate by them. The valuation approaches/ methods used, and the values arrived at using such approaches/ methods by the valuers have been tabled in the next section of this Report.

#### BASIS OF FAIR EQUITY SHARE EXCHANGE RATIO

The fair basis of the Proposed Amalgamation would have to be determined after taking into consideration all the factors, approaches and methods considered appropriate by us. Though different values have been arrived at under each of the above approaches/ methods, for the purposes of recommending the Fair Equity Share Exchange Ratio it is necessary to arrive at a single value for the shares of the companies involved in an amalgamation such as the Proposed Amalgamation. It is however important to note that in doing so, we are not attempting to arrive at the absolute values of the shares of the Companies but at their relative values to facilitate the determination of a Fair Equity Share Exchange Ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approach/ method.

In the ultimate analysis, valuation will have to be arrived at by the exercise of judicious discretion by the valuer and judgments taking into account all the relevant factors. There will always be several factors, e.g. quality of the management, present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of a share. The determination of exchange ratio is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgment. This concept is also recognized in judicial decisions. There is, therefore, no indisputable single exchange ratio. While we have provided our recommendation of the Fair Equity Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as to the Fair Equity Share Exchange Ratio of the equity shares of HDFC Bank and HDFC Limited. The final responsibility for the determination of the exchange ratio at which the Proposed Amalgamation shall take place will be with the Board of Directors of HDFC Bank and HDFC Limited who should take into account other factors such as their own assessment of the Proposed Amalgamation and input of other advisors.

The Fair Equity Share Exchange Ratio has been arrived at on the basis of a relative equity valuation of HDFC Bank and HDFC Limited based on the various approaches/ methods explained herein earlier and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of these companies, having regard to information base, key underlying assumptions and limitations.

Valuers have separately applied methods discussed above, as considered appropriate, and arrived at assessment of relative value per equity share of HDFC Bank and HDFC Limited. To arrive at the consensus on the Fair

Valuers' Notes:-

For the present valuation analysis, the merger of the Companies is proceeded with on the assumption that the Companies would merge as going concerns and an actual realization of the operating assets is not contemplated. In such a going concern scenario, the relative earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance. Hence, while we have calculated the values of the shares of the Companies under the Asset Approach, we have considered it appropriate not to give any weightage to the same in arriving at the Fair Equity Share Exchange Ratio.

For the present valuation analysis, we have not been provided the business plans and projections for the Companies. In these circumstances, we have not considered the Income Approach.

In the present case, the equity shares of both the Companies, HDFC Bank and HDFC Limited, are listed on BSE and NSE and are frequently traded. Hence, we have applied the Market Price Method under the Market Approach to arrive at the relative fair value of the shares for the purpose of arriving at the Fair Equity Share Exchange Ratio.

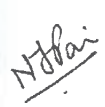

Considering the availability of comparable listed peer set in the businesses carried out by the Companies, we have also applied the Comparable Companies Multiples method under the Market Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Fair Equity Share Exchange Ratio.

For the present valuation analysis, we have considered it appropriate to apply the Market Price Method and the Comparable Companies Multiples Method, to arrive at the relative fair value of the equity shares of the Companies for the purpose of the Proposed Amalgamation.

In light of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following Fair Equity Share Exchange Ratio for the Proposed Amalgamation of Housing Development Finance Corporation Limited into HDFC Bank Limited:

42 equity shares of HDFC Bank Limited of INR 1/- each fully paid up for every 25 equity shares of Housing Development Finance Corporation Limited of INR 2/- each fully paid up.

Respectfully submitted,

**Members of the Board of Directors:**

We understand that Housing Development Finance Corporation Limited, a listed public limited company incorporated under the laws of India ("HDFC"), proposes to enter into a Composite Scheme of Amalgamation pursuant to the provisions of Sections 230 to 232 and other relevant provisions of the Companies Act, 2013, as amended, as may be applicable, and also read with Section 2(1B) of the Income-tax Act, 1961, as amended, as may be applicable, among HDFC, HDFC Investments Limited, a public limited company incorporated under the laws of India and a wholly owned subsidiary of HDFC ("HDFC Investments"), HDFC Holdings Limited, a public limited company incorporated under the laws of India and a wholly owned subsidiary of HDFC ("HDFC Holdings"), HDFC Bank Limited, a listed public limited company incorporated under the laws of India ("HDFC Bank") and their respective shareholders and creditors, the agreed form of which was provided to us by HDFC (the "Scheme").

Pursuant to the Scheme, among other things:

- a) HDFC Investments and HDFC Holdings will be amalgamated with and into HDFC ("Merger 1"); and
- b) HDFC will be amalgamated with and into HDFC Bank subsequent to the completion of Merger 1 ("Merger 2", and together with Merger 1, the "Transaction").

The terms and conditions of the Transaction are more fully set forth in the Scheme, to be filed by the above-mentioned companies with the National Company Law Tribunal, Mumbai Bench in India. We understand that pursuant to the Scheme:

- c) the HDFC Bank Equity Shares held by HDFC shall be automatically cancelled.

The Share Exchange Ratio is based upon the joint recommendation made by Harsh Chandrakant Ruparelia, an independent registered valuer appointed by HDFC Bank, and Drushti Desai (associated with Bansi S. Mehta & Co., Chartered Accountants), an independent registered valuer appointed by HDFC in connection with the Transaction, as set forth in their joint valuation report dated April 4, 2022 (the "Valuation Report").

With respect to the HDFC Financials and Forecasts, and the HDFC Bank Financials and Forecasts, we have been advised by HDFC, and have assumed, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of HDFC as to the future financial performance of HDFC and HDFC Bank.

Without limiting the generality of the foregoing, we have also assumed, at the direction of HDFC, that HDFC, HDFC Bank and their respective joint ventures, associates and/or subsidiaries will receive all statutory clearances with respect to their respective operations in accordance with the assumptions regarding such clearances in the HDFC Bank Financials and Forecasts and the HDFC Financials and Forecasts.

We have been informed by the management of HDFC that the HDFC Financials and Forecasts provided to us have been prepared in accordance with Indian Accounting Standards (Ind-AS) and that the HDFC Bank Financials and Forecasts have been prepared in accordance with Indian Generally Accepted Accounting Principles.

(IGAAP). We have not made or been provided with any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of HDFC, HDFC Bank or their respective joint ventures, affiliates and/or subsidiaries and/or any other entity (other than the Valuation Report, which we have reviewed and relied upon without independent verification for purposes of this opinion), nor have we made any physical inspection or title verification of the properties or assets of HDFC, HDFC Bank, their respective joint ventures, affiliates and/or subsidiaries and/or any other entity, and we do not express any opinion as to the value of any asset of HDFC, HDFC Bank, their respective joint ventures, affiliates and/or subsidiaries and/or any other entity, whether at current prices or in the future. We have assumed, at the direction of HDFC, that the Transaction will be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, judicial, regulatory and other approvals, consents, releases and waivers for the Transaction, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on HDFC, HDFC Bank, their respective joint ventures, affiliates and/or subsidiaries and/or any other entity or the contemplated benefits of the Transaction. We also have assumed, at the direction of HDFC, that the final executed Scheme will not differ in any material respect from the Draft Scheme reviewed by us.

We are not actuaries and our services did not include actuarial determination or evaluations by us or any attempts by us to evaluate any actuarial assumptions. In that regard, we express no opinion with respect to the accuracy of the business' liability reserve policies or levels of HDFC, HDFC Bank and their respective joint ventures, associates and/or subsidiaries, and have relied upon the estimates and judgments of the management of HDFC with respect to the adequacy of the reserves established in respect of contingent liabilities or losses, and have assumed such adequacy for purposes of our opinion. In addition, we are not experts in the evaluation of loan portfolios or allowances for loan losses and, upon advice of HDFC, we have assumed that HDFC, HDFC Bank and their respective joint ventures, associates and/or subsidiaries' current allowances for loan losses will be in the aggregate adequate to cover all such losses.

We have not undertaken any independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims, or other contingent liabilities, or any settlements thereof, to which HDFC, HDFC Bank, their respective joint ventures, affiliates and/or subsidiaries and/or any other entity are or may be a party or are or may be subject, and this opinion does not consider the potential effects of any such litigation, actions, claims, other contingent liabilities or settlements.

Our opinion is necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to us as of, the date hereof. As you are aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on the HDFC Equity Shares, or the HDFC Bank Equity Shares or on the Transaction or the Share Exchange Ratio. It should be understood that subsequent developments may affect this opinion, and we do not have any obligation to update, revise, or reaffirm this opinion.

We express no view or opinion as to any terms or other aspects or implications of the Transaction (other than the Share Exchange Ratio to the extent expressly specified herein), including, without limitation, the form or structure of the Transaction, the taxation impact of the Transaction or the HDFC Bank Equity Shares issued under the Transaction or any terms or other aspects or implications of any other agreement, arrangement or understanding entered into in connection with or related to the Transaction or otherwise. We were not requested to, and we did not, participate in the negotiation of the terms of the Transaction. As you are aware, we were not requested to, and we did not, solicit indications of interest or proposals from third parties regarding a possible acquisition of all or any part of HDFC. We express no view or opinion as to any such matters. Our opinion does not address any matters otherwise than as expressly stated herein, including but not limited solely to matters such as corporate governance, shareholder rights or any other equitable consideration, and is limited to the fairness, from a financial point of view, to the holders of the HDFC Equity Shares of the Share Exchange Ratio provided for in the Scheme and no opinion or view is expressed with respect to any consideration received in connection with the Transaction by the holders of any other class of securities, creditors or other constituencies of any party. In addition, no opinion or view is expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Transaction, or class of such persons, relative to the Share Exchange Ratio. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might

be available to HDFC or in which HDFC might engage or as to the underlying business decision of HDFC to proceed with or effect the Transaction. Further, HDFC will remain solely responsible for the commercial assumptions on which this opinion is based and for its decision to proceed with the Transaction.

Further, our opinion does not take into account any corporate actions of HDFC or HDFC Bank after the date hereof, including payment of dividends. We are not expressing any opinion as to what the value of the HDFC Bank Equity Shares actually will be when issued or the prices at which the HDFC Bank Equity Shares will trade at any time, including following announcement or consummation of the Transaction. In addition, we express no opinion or recommendation as to how any shareholder, creditor or other person should vote or act in connection with the Transaction or any related matter. In addition, we are not expressing any view or opinion with respect to, and have relied, with the consent of HDFC, upon the assessments of representatives of HDFC regarding, legal, regulatory, accounting, tax and other matters relating to HDFC, HDFC Bank, any of their respective joint ventures, affiliates and/or subsidiaries or any other entity and the Transaction (including the contemplated benefits of the Transaction) as to which we understand that HDFC obtained such advice as it deemed necessary from qualified professionals.

We have also assumed that all aspects of the Transaction and any other transaction contemplated in the Scheme would be in compliance with applicable laws and regulations, and we have issued this opinion on the understanding that we would not in any manner verify, or be responsible for ensuring, such compliance. Without prejudice to the generality of the foregoing, we express no opinion and have assumed that the Transaction will not trigger obligations to make open offers under the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, and accordingly we have not considered the consequences or impact on HDFC, if any such open offers are mandated, and we have also assumed that the Transaction will not result in any adverse effect on HDFC or its business, whether under tax or other laws or under the terms of any license or approval.

We have acted as financial advisor to the Board of Directors of HDFC to render this opinion and will receive a fee for our services, which will be paid upon the rendering of this opinion. In addition, HDFC has agreed to reimburse our expenses (subject to certain restrictions) and indemnify us against certain liabilities arising out of our engagement.

We and our affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party, nor shall any public reference to us be made, for any purpose whatsoever except (i) with our prior written consent in each instance; (ii) as required to be disclosed by HDFC to the relevant stock exchanges pursuant to Master Circular no. SEBI/HO/CFD/DIL/CI/P/2021/0000000665, dated November 23, 2021, as amended, issued by the Securities and Exchange Board of India ("SEBI Scheme Circular") and may be disclosed on the website of HDFC and the stock exchanges to the extent required in terms of the SEBI Scheme Circular and further may also be made a part of the explanatory statement to be circulated to the shareholders and/or creditors of HDFC; and (iii) as required to be disclosed to relevant judicial, regulatory or government authorities, in each case only as may be mandatorily

required by applicable laws. The issuance of this opinion was approved by our Asia Pacific Fairness Opinion Review Committee.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion on the date hereof that the Share Exchange Ratio provided for in the Scheme is fair, from a financial point of view, to the holders of the HDFC Equity Shares.

### REPORT ADOPTED BY THE BOARD OF DIRECTORS (“BOARD”) OF HDFC INVESTMENTS LIMITED IN ACCORDANCE WITH SECTION 232(2)(c) OF THE COMPANIES ACT, 2013, ON JUNE 23, 2022

#### Background

1. The proposed composite scheme of amalgamation among HDFC Investments Limited (“**Transferor Company 1**” or “**Company**”) and HDFC Holdings Limited (“**Transferor Company 2**”) and Housing Development Finance Corporation Limited (“**Transferee Company**” or “**Amalgamating Company**”) and HDFC Bank Limited (“**Amalgamated Company**”) and their respective shareholders and creditors (“**Scheme**”) under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (“**Act**”) and in compliance with the provisions of the Income Tax Act, 1961, *inter alia*, provides for the: (i) amalgamation of the Transferor Company 1 and the Transferor Company 2 (collectively hereinafter referred to as the “**Transferor Companies**”) into the Transferee Company, with effect from the Appointed Date 1 (*as defined in the Scheme*), and the consequent dissolution of the Transferor Companies without being wound up; and (ii) amalgamation of the Amalgamating Company with and into the Amalgamated Company, with effect from the Appointed Date 2 (*as defined in the Scheme*), and the consequent dissolution of the Amalgamating Company without being wound up, and the issuance of the New Equity Shares (*as defined in the Scheme*) to the equity shareholders of the Amalgamating Company in accordance with the Share Exchange Ratio (*as defined in the Scheme*).
2. The Audit Committee of Directors of the Company and the Board of Directors of the Company, at their meetings held on April 3, 2022, *inter alia*, approved the amalgamation of the Company with and into Transferee Company in terms of the Scheme.
3. As per the provisions of Section 232(2)(c) of the Act, a report is required to be adopted by the Directors *inter alia* explaining the effect of the Scheme on each class of

shareholders (promoters), directors, key managerial personnel, etc., and laying out in particular the share exchange ratio, specifying any special valuation difficulties, if any (“Report”).

4. Having regard to the applicability of the aforesaid provisions, the proposed Scheme was placed before the Board at its meeting held on April 3, 2022.
5. The rationale and benefits of the Scheme is set forth in detail in the Scheme and is therefore not reiterated in this Report.

#### Effect of the Scheme on Stakeholders

##### (a) Shareholders (promoter)

Part C of the Scheme provides for and contemplates amalgamation of the Transferor Company No.1 and the Transferor Company No.2 with the Transferee Company. Given however the fact that the entire paid-up share capital of the Transferor Company No.1 is held by the Transferee Company and its nominees, upon the Scheme becoming effective, the equity shareholder(s) of the Transferor Company No. 1 would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Transferor Company No.1 shall stand cancelled and extinguished. Further, under Part C of the Scheme, the authorised share capital of the Transferor Company No. 1 shall be reclassified/reorganised in the manner as stipulated in clause 19 of Part C of the Scheme and pursuant to such reclassification/reorganisation, the resultant authorised share capital of the Transferor Company No. 1 shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 20 of Part C of the Scheme. Thus, under Part C of the Scheme, an arrangement is sought to be entered into between the Transferor Company No. 1 and its equity shareholder(s).

##### (b) Creditors

Part C of the Scheme does not contemplate any arrangement with the creditors, if any, of the Transferor Company No. 1. No compromise is offered under Part C of the Scheme to any of the creditors, if any, of the Transferor Company No. 1. The liability towards the creditors, if any, of the Transferor Company No. 1 is neither being reduced nor being

*extinguished. Interests of the creditors of the Transferor Company No. 1, if any, would in no way be affected by Part C of the Scheme.*

*Further, as on date, the Transferor Company No.1 has no secured creditors and therefore, the question of any effect of the Scheme on any secured creditors does not arise.*

*As on date, the Transferor Company No. 1 has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.*

*As on date, the Transferor Company No. 1 has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.*

*(c) Employees, Directors and Key Managerial Personnel*

*As stated in clause 14.1 of Part C of the Scheme and with effect from the Effective Date, all the staff and employees, if any, of the Transferor Company No. 1, who are in such employment as on the Effective Date, shall become and be deemed to have become, the staff and employees of the Transferee Company, without any break in or interruption of service and on the terms and conditions not less favourable than those on which they are engaged by the Transferor Company No. 1. In these circumstances, the rights of the staff and employees, if any, of the Transferor Company No. 1 would in no way be affected by the Scheme.*

*Upon Part C of the Scheme becoming effective, the Transferor Company No. 1 shall stand dissolved without being wound up. In these circumstances, the directors and key managerial personnel of the Transferor Company No. 1 shall cease to be the directors and key managerial personnel of the Transferor Company No. 1.*

*None of the directors or key managerial personnel (as defined under the Companies Act, 2013 and the rules framed thereunder) of the Transferor Company No. 1 and their respective relatives (as defined under the Companies Act, 2013 and the rules framed*

thereunder) have any material interest in Part C of the Scheme, except to the extent that:-

- i. one of the directors of the Transferor Company No. 1, namely, Mr. Joseph Conrad Agnelo D'Souza is the nominee shareholder of the Transferor Company No. 1 as well as of the Transferor Company No. 2; and/or
- ii. three of the directors of the Transferor Company No. 1 are common directors, namely, Mr. Joseph Conrad Agnelo D'Souza who is a common director in Transferor Company No. 2; Mr. M. Ramabhadran who is a common director in the Transferor Company No. 2, and Mr. V. Srinivasa Rangan who is a common director in the Transferee Company; and/or
- iii. one of the directors of the Transferor Company No. 1, namely, Mr. V. Srinivasa Rangan is also director and key managerial personnel of the Transferee Company; and/or
- iv. the said directors, key managerial personnel and their respective relatives are the partners, directors, members of the companies, firms, bodies corporate and/or beneficiaries of trust that hold shares in the Transferee Company and/or the Amalgamated Company, if applicable. None of the directors and key managerial personnel of the Transferor Company No. 1 or their relatives are holding more than two per cent. of the paid-up share capital of the Transferee Company or the Amalgamated Company.

### **Valuation Report**

Upon the Scheme becoming effective, the entire existing issued and paid-up equity share capital of the Company, as held by the Transferee Company/Amalgamating Company and its nominees, shall, without any further application, act, instrument or deed, be automatically cancelled. #### **Effect of the Scheme on Stakeholders**

##### ***(a) Shareholders (non-promoter)***

*Part C of the Scheme does not contemplate issuance of any equity shares by the Transferee Company to any person. Therefore, the shareholders of the Transferee Company will not be affected by Part C of the Scheme. However, upon Part C of the Scheme becoming effective and with effect from the Appointed Date 1, and pursuant to the reclassification and reorganization of the authorised share capital of the Transferor Company No. 1 and the Transferor Company No. 2, respectively, as set out in clause 19 of the Scheme, the respective resultant authorised share capital of the Transferor Company No. 1 and the Transferor Company No. 2, shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 20 of Part C of the Scheme. Thus, to that extent, under Part C of the Scheme, an arrangement is sought to be entered into between the Transferee Company and its shareholders.*

*Upon Part D of the Scheme becoming effective, the equity shareholders of the Amalgamating Company, shall become the equity shareholders of the Amalgamated Company in the manner as stipulated in clause 27.1 of Part D of the Scheme. Further, under Part D of the Scheme, the authorised share capital of the Amalgamating Company shall be reclassified/reorganised in the manner as stipulated in clause 35 of Part D of the Scheme and pursuant to such reclassification/reorganisation the resultant authorised share capital of the Amalgamating Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Amalgamated*

Company in the manner as stipulated in clause 36 of Part D of the Scheme. Thus, under Part D of the Scheme, an arrangement is sought to be entered into between the Amalgamating Company and its equity shareholders.

Upon Part D of the Scheme becoming effective, the Amalgamating Company shall cease to be the promoter of the Amalgamated Company. Further, upon Part D of the Scheme becoming effective, the equity shares held by the Amalgamating Company (including shares of the Amalgamated Company being vested in the Amalgamating Company pursuant to Part C of the Scheme becoming effective) in the paid-up share capital of the Amalgamated Company shall stand cancelled as stipulated in clause 28 of Part D of the Scheme.

(b) Creditors

Part C of the Scheme does not provide for or contemplate any arrangement between the Transferee Company and its creditors. Part C of the Scheme also does not provide for any compromise to any of the creditors of the Transferee Company. The liability towards the creditors of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. The creditors of the Transferee Company would in no way be affected by Part C of the Scheme.

Part D of the Scheme also does not provide for or contemplate any arrangement or compromise with the creditors of the Amalgamating Company in respect of their claims. The liability towards the creditors of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, as stipulated in clause 22.4 of Part D of the Scheme, any Encumbrance (as defined in the Scheme) existing prior to the Effective Date, which may have been created on the assets of the Amalgamating Company (being a housing finance company) in relation to the deposits and/or any other liabilities of the Amalgamating Company: (a) pursuant to the regulatory/statutory requirements that are applicable to housing finance companies under the Applicable Law; or (b) by way of contract, shall, after the Effective Date, without any further act, instrument or deed be automatically released and/or terminated as relevant, and such deposits and other liabilities shall become unsecured, if such Encumbrance is either not required or not permitted under the regulatory/statutory requirements applicable to the Amalgamated Company (being a banking company) under the Applicable Law. The interest of the creditors of the Amalgamating Company will remain unaffected by Part D of the Scheme as the assets of the Amalgamated Company upon the effectiveness of Part D of the Scheme will be more than its liabilities and as such sufficient to discharge such liabilities.

Part C of the Scheme does not contemplate any arrangement with the debenture holders of the Transferee Company. No rights of the debenture holders of the Transferee Company are being affected pursuant to Part C of the Scheme. The liability towards the debenture holders of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. Under Part C of the Scheme, the debenture holders shall continue to be the debenture holders of the Transferee Company. The debenture trustee for the different series of the debentures shall continue to remain the debenture trustee. Thus, the debenture holders of the Transferee Company would in no way be affected by Part C of the Scheme.

Part D of the Scheme does not contemplate any arrangement with the debenture holders of the Amalgamating Company in respect of their claims. No rights of the debenture holders of the Amalgamating Company are being affected pursuant to Part D of the Scheme. The liability towards the debenture holders of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, any Encumbrance existing prior to the Effective Date in favour of the debenture holders shall be dealt with in accordance with clause 22.4 of Part D of the Scheme. The debenture trustee for the different series of the debentures shall continue to remain the debenture trustee. Thus, the debenture holders of the Amalgamating Company would not be affected by Part D of the Scheme in respect of their claims.

Further, the debenture trustee for the different series of the debentures has no material interest in Part C or Part D of the Scheme except to the extent of the equity shares held by it in the Transferee Company/Amalgamating Company and/or the Amalgamated Company, if any.

Part C of the Scheme does not contemplate any arrangement or compromise between the Transferee Company and its deposit holders. No rights of the deposit holders of the Transferee Company are being affected pursuant to Part C of the Scheme. The liability towards the deposit holders of the Transferee Company, under Part C of the Scheme, is neither being reduced nor being extinguished. The trustee in respect of the said deposits shall continue to remain the trustee in respect thereof. Thus, the deposit holders of the Transferee Company would in no way be affected by the Scheme.

Part D of the Scheme does not contemplate any arrangement or compromise with the deposit holders of the Amalgamating Company in respect of their claims. The liability towards the deposit holders of the Amalgamating Company, under Part D of the Scheme, is neither being reduced nor being extinguished. However, any Encumbrance existing prior to the Effective Date in favour of the deposit holders shall be dealt with in accordance with clause 22.4 of Part D of the Scheme. Further, the deposit holders of the Amalgamating Company shall become the fixed deposit holders of the Amalgamated Company as stipulated in clause 22.8 of Part D of the Scheme. The trustee, in respect of the said deposits, upon the Scheme becoming effective, would no longer continue to remain the trustee as the deposit holders of the Amalgamating Company shall become the fixed deposit holders of the Amalgamated Company (being a banking company) as stipulated in clause 22.8 of Part D of the Scheme. Thus, the deposit holders of the Amalgamating Company would not be affected by the Scheme in respect of their claims.

(c) *Employees, Directors and Key Managerial Personnel*

Under Part C of the Scheme, no rights of the staff and employees of the Transferee Company are being affected. The services of the staff and employees of the Transferee Company, shall continue on the same terms and conditions on which they were engaged by the Transferee Company.

As stated in clause 26.1 of Part D of the Scheme and with effect from the Effective Date, all the staff and employees of the Amalgamating Company, who are in such employment as on the Effective Date, shall become and be deemed to have become, the staff and

employees of the Amalgamated Company, without any break in or interruption of service and on the terms and conditions not less favourable than those on which they are engaged by the Amalgamating Company. In these circumstances, the rights of the staff and employees of the Amalgamating Company would in no way be affected by the Scheme.

Under clause 30 of Part D of the Scheme, the stock options granted by the Amalgamating Company under the Amalgamating Company ESOP Plans (as defined in the Scheme), upon the effectiveness of the Scheme, the Amalgamated Company shall issue stock options to the Eligible Employees (as defined in the Scheme) taking into account the Share Exchange Ratio (as defined in the Scheme) and on the terms and conditions as are existing and are in force under the Amalgamating Company ESOP Plans, and which are no less favourable than those provided under the Amalgamating Company ESOP Plans, however, subject to Applicable Law. In the circumstances, no rights of the Eligible Employees of the Amalgamating Company are affected.

Upon Part D of the Scheme becoming effective, the Amalgamating Company shall stand dissolved without being wound up. In these circumstances, the directors and key managerial personnel of the Amalgamating Company shall cease to be the directors and key managerial personnel of the Amalgamating Company.

None of the directors or key managerial personnel (as defined under the Companies Act, 2013 and the rules framed thereunder) of the Transferee Company/Amalgamating Company and their respective relatives (as defined under the Companies Act, 2013 and the rules framed thereunder) have any material interest either in Part C or Part D of the Scheme except to the extent that:-

- iii. the said directors, key managerial personnel and their respective relatives may be holding shares in the Transferee Company/Amalgamating Company and/or the Amalgamated Company. None of the directors and key managerial personnel of the Transferee Company/Amalgamating Company or their relatives are holding more than two per cent. of the paid-up share capital of the Transferee Company/Amalgamating Company or the Amalgamated Company; and/or

The liability towards the debenture holders of the Amalgamated Company, under Part D of the Scheme, is neither being reduced nor being extinguished. The debenture trustee(s) for the different series of the debentures shall continue to remain the debenture trustee(s). Thus, the debenture holders of the Amalgamated Company would in no way be affected by Part D of the Scheme.*

*Further, none of the debenture trustee(s) for the different series of the debentures have any material interest in Part D of the Scheme except to*

*the extent of the equity shares held by them in the Transferee Company/Amalgamating Company and/or the Amalgamated Company, if any.*

*Part D of the Scheme does not contemplate any arrangement between the Amalgamated Company and its fixed deposit holders. No rights of the fixed deposit holders of the Amalgamated Company are being affected pursuant to Part D of the Scheme. The liability towards the fixed deposit holders of the Amalgamated Company, under Part D of the Scheme, is neither being reduced nor being extinguished. There are no deposit trustee(s) in respect of the fixed deposits invited by the Amalgamated Company. **INDEPENDENT AUDITORS' REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS**

**TO THE BOARD OF DIRECTORS**  
**HDFC Investments Limited**

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **HDFC Investments Limited** ("the Company"), for the quarter ended June 30, 2022 ("the Statement"), prepared as per the format prescribed under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable to the Company for the purpose of preparation of consolidated interim financial results of HDFC Limited ("the ultimate holding company").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind As 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw your attention to,

Note 2 to the accompanying Statement in relation to the scheme of Amalgamation of the Company with HDFC Limited in terms of the draft scheme of amalgamation between HDFC Holdings Limited, the Company, the Corporation, the Bank and their respective shareholders and creditors subject to

the approval of requisite majorities of the various classes of shareholders and creditors (as applicable) of the Company.

Our report is not qualified to that extent.

6. For the reasons mentioned in paragraph 1 above, the Statement and our report shall not be suitable for any other purpose and should not be distributed to or used by parties other than the Company, its Ultimate Holding Company and its statutory auditors. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.
7. The Comparative financial information of the Company for the quarter ended June 30, 2021 were reviewed by the predecessor auditor accordingly, we do not express any conclusion on the comparative figures. Our conclusion is not modified in respect of this matter.

Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

The Board of Directors of HDFC Bank Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of HDFC Bank Limited ('the Bank') for the quarter ended June 30, 2022 ('the Statement') being submitted by the Bank pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended ('the Regulations').
2. This Statement which is the responsibility of the Bank's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 'Interim Financial Reporting' ('AS 25') prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India ('the RBI') from time to time ('RBI Guidelines') and other recognized accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the standalone financial results are free of material misstatement. A review consists of making inquiries primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in AS 25, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, RBI Guidelines and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the RBI in respect of income recognition, asset classification, provisioning and other related matters.

5. The review of unaudited standalone financial results for the quarter ended June 30, 2021 was conducted by M S K A & Associates, Chartered Accountants, the statutory auditor of the Bank, who had expressed an unmodified conclusion, on those financial results. Accordingly, we, M M Nissim & Co LLP, Chartered Accountants, do not express any conclusion on the figures reported in the standalone financial results for the quarter ended June 30, 2021. Our conclusion is not modified in respect of this matter.
